

Module 14 Field Assignment

Between this meeting and the next you should

- Find out if your company has hired CWs or CEs or if they intend to do so. If available, you should talk with the foreman of a mixed crew to learn how it has worked, including:
 - What worked well?
 - What could have been done better?
 - Has the integration of the new classifications gotten easier over time?
 - Does the new crew operate more efficiently, less efficiently, or about the same as traditional crews?

You should be prepared to report your observations at the beginning of the next meeting.
